Sir:

Pursuant to 37 C.F.R. §§1.97 and 1.98, applicant respectfully requests that the documents listed on the accompanying PTO 1449 be considered by the Examiner and made of record in the above-referenced application. Copies of the documents listed are enclosed.

Several of the listed patent documents have been cited on the International Search Report for International Patent Application No. PCT/EP02/02560, of which the present application is a continuation. A copy of the International Search Report is also enclosed, which indicates the possible relevance of each document cited therein.

Also enclosed are copies of U.S. 5,901,766, U.S. 5,082,901, and U.S. 6,376,593, which correspond to cited patent documents, EP 0 899 297, EP 0 477 682, and EP 1 069 160, respectively.

Identification of the listed documents is not to be construed as an admission of the applicant or attorneys for applicant that such citations are available as "prior art" against the subject application. If the Examiner applies the documents as prior art against any claim in the application and applicant determines that the cited documents do not constitute "prior art" under United States law, applicant reserves the right to present to the Office the relevant facts and law regarding the appropriate status of the documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should the documents be applied against the claims of the present application.

Respectfully submitted,

BAKER BOTTS, L.L.P.
